

# SHEEP

- A. Showing & Handling Practices-The use of showing and/or handling practices that may be considered objectionable or abusive, such as striking or slapping lambs and exhibiting the lamb with its front feet off the ground, are not acceptable. The use of such practices may result in the lowering of a ribbon placing. (Lifting the lamb in a fluid motion to set the front legs prior to quickly setting the feet back on the ground is acceptable.)
- B. Club Lamb Fungus Inspection-All sheep exhibits (breeding and market) will be inspected off site prior to entering the fairgrounds by a veterinarian for evidence of club lamb fungus. Exhibits determined to have "active" club lamb fungus will not be eligible to show and will be sent home.

## SHOWMANSHIP
