

## Virtual Field Trip\*

# Ag Walk 'N'

In Nebraska, agriculture is our number one industry. We can grow corn, sugar beets, apples, grapes and more!

How does **Nebraska's Soil** influence agriculture?

On this Nebr**ASK**a Scientist virtual field trip:

- talk to the expert
- look at different soils
- discover the influence on agriculture

3 Time Choices:

**May 1st at 10 am or 1 pm** (Central Time)

**May 2nd at 10 am** (Central Time)

Duration: 45 minutes    Grade Level: 4-5    Cost: \$30 (includes mailed kit\*)

**Register  
Online:**

For more information: Dr. Deb Weitzenkamp Email: [deb.weitzenkamp@unl.edu](mailto:deb.weitzenkamp@unl.edu) or phone: 402-873-3166

*\*Classrooms will receive materials to be used during the field trip (for up to 25 students).*

### ***\*What is a Virtual Field Trip?***

No need to schedule transportation, pack a lunch or even leave your school when you visit us on a Virtual Field Trip. Our faculty interact with your students on a variety of food, energy, water, and people related topics through our live, interactive videoconferencing programs. Classes are designed to fit within your schedule, curriculum needs and are aligned with science standards.

Nebraska Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska–Lincoln cooperating with the Counties and the United States Department of Agriculture. The 4-H Youth Development program abides with the nondiscrimination policies of the University of Nebraska–Lincoln and the United States Department of Agriculture.
