

2020 OTOE COUNTY 4-H MODIFIED FAIR "PUTTING ALL THE PIECES TOGETHER"

Otoe County 4-H Families and Volunteers,

Thank you for your continued patience as we have been “putting all the pieces together” for a safe and educational 4-H experience for our 4-H youth. When the Otoe County 4-H Council selected the theme for the 2020 Otoe County Fair last September, we are sure they had no idea how relevant the theme would be for this fair.

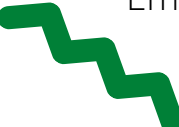

We sincerely thank the Otoe County Agricultural Society, Otoe County 4-H Council, Otoe County 4-H Superintendents, Otoe County Extension Board, Otoe County Commissioners, and the Southeast District Health Department for their guidance. The Otoe County 4-H Council met on June 4, June 11, June 23, and June 24 to make sure we were putting forth the best options for our youth.

The following plan was designed in accordance with the Directed Health Measures set by Governor Ricketts, the Nebraska Department of Agriculture, and the Nebraska Department of Health and Human Services. Please be aware that this plan is subject to change based on further guidance from the entities listed above.

If you have any questions or concerns, please call our office at 402-269-2301. We will continue to keep you up-to-date with additional information regarding daily schedules for livestock and animal shows, as well as release times and dates for static entries.

We look forward to a great and memorable Otoe County 4-H experience in 2020!

Nebraska Extension in Otoe County Team,
