The calendar year is coming to an end & the Otoe County 4-H Council is busy planning for 2024. Each year the Council provides educational opportunities for youth and adults, promotes 4-H, & recognizes the achievements of 4-H youth & volunteers in Otoe County. We have some amazing plans for 2024, but need your help to make those plans a reality.

4-H Council plans year-round activities including:

- 4-H promotional events (i.e. swim night, bowling, promotional giveaways)
- Annual 4-H Achievement and Awards Celebration
- Youth recognition, displayed at 4-H events across the county
- 4-H Exploration Area at the County Fair

The 4-H Council also provides county fair & contest awards, covers registration fees for youth attending state & national level events, & provides funding for leader trainings.

We are excited about these plans, but need funding to make them a reality. The Council is funded through donations and fundraising activities. Please review the sponsorship levels at left and consider how you might provide support.

Help Otoe County 4-H fulfill their mission of empowering youth to reach their full potential!

I'm enclosing a tax-deductible contribution to the Otoe County 4-H Council in the amount of: _____

Your Name or Business : _____

Address, City, State and Zip: _____
