4-H
GROWS HERE

Clover Explorers Cloverkids Club

**OPEN TO CURRENT &
NEW YOUTH AGES 5-7!**

The 4-H Cloverkid program helps promote a child's healthy development through hands on learning. Club Meetings provide a place for youth to develop social and decision-making skills while engaging in hands-on projects in a non-competitive environment.

During meetings, youth will participate in a short 4-H club meeting while their parent or adult family member learns more about the 4-H program. Each meeting will finish off with an activity that both the youth and adult member are able to complete.

MEETING & PROJECT
