

PERKINS COUNTY 4-H ANIMAL & LIVESTOCK EXHIBITOR FAIR BOOK

(Includes Rules and Code of Conduct for 4-H Livestock Exhibitors and Parents)
(revised 2024)

IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times conduct themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to ALL classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All parents/leaders working with 4-H exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Parents/guardians or exhibitors who violate the code of ethics will forfeit awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Parents/guardians or exhibitors shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. 4-H exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the parent/guardian or exhibitor for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested (by the approved laboratory to which it is sent) is the one taken from the animal in question. Its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the parent/guardian or exhibitor to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the

furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

8. No parent/guardian or exhibitor shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal's condition by a parent/guardian or exhibitor whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the parent/guardian or exhibitor to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the parent/guardian or exhibitor that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

DEPARTMENT G: ANIMAL SCIENCE

General Instructions: Small Animal Shows

Dress Code: Exhibitors showing cats, pets and dogs are required to wear the official 4-H T-shirt (any color). If there is no official 4-H shirt, exhibitors are required to wear a white shirt (or blouse) with the official 4-H chevron attached. Long jeans/pants (dark blue) are required for cat, dog and small pet exhibitors. While hard soled shoes are not required for the cat, dog and small pet shows, exhibitors are required to wear closed toed shoes with non-slip soled. No hats, caps or other types of headgear are to be worn in the show ring. Exhibitors shall not display local, county, commercial or other identification while showing their animals-except official 4-H and such identification the show ring may require.

Companion Animal Show

Projects: Cat, Companion Animal

General Instructions: Companion Animal Show

Show Procedure:

1. Exhibitors must be present at time of showing. Animals must be housed in a cage at all times of the show unless asked to remove them by the judge. If being shown in a travel cage, exhibitors should bring photographs of the animal's normal habitat.
2. Each exhibitor will be asked to give a short 'showmanship' presentation on their animal. The characteristics, health, and care of the animal should be provided in this presentation. Following the presentation, exhibitors will be interviewed on knowledge of their animal and its care.
3. **The Judge Will Evaluate the Participant on the Following Basis:**
 - a. Animal health and wellbeing-35 points
 - b. Cage evaluation (appropriateness of travel housing as well as description of everyday housing)-25 points
 - c. Overall knowledge and presentation skills-40 points
4. See 4-H companion Animal Judging Sheet for more complete breakdown of points available.
5. Participant should bring animal, adequate cage and accessories, completed health certificate for cats and ferrets, and pictures of normal habitat if appropriate.

Housing:

- **Cats:** Cats must be brought in durable plastic or wire carriers (not cardboard). Cats will remain in carriers or other appropriate cage provided by the exhibitor except for when being judged. The exhibitor may provide food, water, and litter for the cat in the carrier if necessary. Exhibitors may want to provide a cover for the carrier to prevent their cat from seeing other cats. **ALL CATS MUST BE SHOWN ON A LEASH** and be on a leash at any time they are removed from the carrier/cage.
- **Other Animals:** All other animals should be brought in appropriate housing either their normal cage or a durable plastic or wire travel cage (not cardboard). Cages must be secure. Exhibitors should provide water and food for all animals as appropriate. If a cage/enclosure is deemed inappropriate by the show superintendent, the exhibitor will not be allowed to show.

Eligibility: To be eligible to show, the 4-H'er must be currently enrolled in the Cat or Household Pet/Small animal project.

Health & Vaccinations: All animals should be free of fleas, ticks, ear mites, ringworm, any internal parasite and infectious disease. Required veterinary checks will be performed on each animal entering the show. If any signs of these external parasites or other contagious health conditions are presented, exhibitors will be asked to leave without being allowed into the show area. It is highly recommended that a veterinary check is performed or preventative measures are taken prior to the show to ensure the animal is free of external parasites. **ALL DECISIONS OF SHOW OFFICIALS ARE FINAL.** If an animal shows the possibility of being contagious, it will be considered a danger to the other animals in the show and will not be allowed to show. Animals that pose a danger to others will not be allowed in the building.

- Cats: Cats are required to be current on their vaccinations of rabies, distemper, panleucopenia, viral rhinotracheitis and calicivirus. Proof of vaccination must be sent in with the fair pre-registration forms. Participants should have their veterinarian fill out and sign the "Nebraska State Fair Cat/Ferret Vaccination Record Form". Exhibitors will not be allowed to show without a signed Vaccination Form. 4-H'ers vaccinating their own cats must provide proof including a statement from their vet on the Vaccination Record form or by including the vaccination labels on the form and having it signed by a parent. A rabies vaccination is federally mandated to be given by a Certified Veterinarian ONLY. This vaccination must be current and include a veterinarian signature on the Vaccination Record Form. If a cat is not declawed, the claws must be clipped. This will be a point of judging during the competition.
- Ferrets: Ferrets must be vaccinated for rabies and have a completed health form signed by the administering veterinarian submitted with the fair pre-registration form.
- Mother Animals: No expectant or nursing mother animals may be entered in the show.

Number of Entries: An exhibitor may make no more than one entry per class with a maximum of four entries total.

Age of Animals: All animals must be weaned prior to show. Minimum age of animals to be shown:

- Cats: 4 months
- Ferrets: 4 months
- Chinchillas: 7 weeks
- Guinea pigs: 4 weeks
- Gerbils, hamsters mice, rats: 4 weeks
- Hedgehogs: 5 weeks
- Pet rabbits: 9 weeks

Dress Code: Dress code for this show is stated in the *general instructions*. 4-H'ers will be judged on the neatness of their appearance. This includes but is not limited to; shirt tucked in, appropriate size of clothing, tied shoe laces, etc. Individuals not meeting these requirements will be lowered one (1) ribbon placing in showmanship.

Required Poster for ALL Pets: County Fair requires a poster, related to the companion animal shown for classes 900-910. Poster should be the size of one full standard poster (should not exceed 22" X 28"). Poster should be presented at time of animal judging and will be judged on quality of the poster, accuracy of information provided, and ability of the exhibitor to explain the information and answer judge's questions.

Class G100909 Hedgehog

Class G100910 Other Small Pet not listed

Class G100911 Poster Can include entries covering any companion animal (including reptiles, companion birds, or others). Exhibitors should make a poster with information on the proper care of a companion animal that they are not showing in another class of the Companion Animal Show. Poster should be the size of one full standard poster (should not exceed 22" X 28"). Exhibitors must be present at time of judging and will be judged on quality of the poster, accuracy of information provided, and ability of the exhibitor to explain the information and answer judge's questions.

Dog Show

General Instructions: Dog Show

Procedure: Those procedures described in Nebraska 4-H Dog Show Rules 4H421. It is the dog exhibitor's responsibility to pick up after their dogs at all times. Dogs soiling in the show ring (during a class) will be lowered one ribbon placing. Dogs soiling anywhere on the show grounds without pick up will be disqualified from all entered classes on that show day regardless of the person who is holding the dog leash.

Dog Eligibility: Exhibitor should provide primary care and training for the dog. The dog should reside with the exhibitor or be cared for by the exhibitor the majority of the year.

Vaccinations: All dogs must be immunized for distemper, hepatitis, parvo and rabies. A Dog Show Vaccination Record Form must be filled out and signed by a veterinarian and returned as a part of the county fair pre-entry. The Vaccination Record Form must document all vaccinations within 1 year or 3 years of the show date based on label guidelines. All vaccinations must be in effect at the time of the fair dog show. **Explanation:** Some vaccinations are viable for one year and some vaccinations are viable for three years but are specifically designed and administered according to their label. It is not acceptable nor allowed to vaccinate a dog with a 1 year vaccine and plan to have it in effect for 3 years. A vaccination form must be submitted for each dog according to the entry guideline due date or it will not be allowed to show.

Advancement Levels in Obedience and Agility Classes: Follow rules in Nebraska 4-H Dog Show Rules 4H421.

Advancement in Showmanship Classes: Classes are divided into age divisions (exhibitor age Jan. 1).

Disqualified Dogs:

- Females in season will not be permitted to show.
- Overly aggressive dogs may be disqualified at the discretion of the judge or superintendent.
- Lameness or crippled dogs will not be permitted to show if it is determined by the show superintendent that is affecting the health of the dog.
- See "Procedure" for information about disqualification for dog soiling on show grounds.

Age of Dog: A dog that is exhibited at the fair must be 6 months or older. Agility dogs must be 18 months or older to participate in competition.

Dress Code: Dress code for this show is stated in the *general instructions for small animal shows*.

Baiting: Baiting with food or a toy is not permitted and is cause for disqualification. Handlers may use the baiting action without food or toys in showmanship. The judge has the authority to disqualify violators.

Cleanup: Shall be the EXHIBITOR'S RESPONSIBILITY. This includes all areas while on the show site.

Grooming: Only exhibitors are allowed to groom or work dogs at the show, both in and out of the rings.

Substitutions: A dog may be substituted for showmanship classes only if it is injured or dies following the entry deadline. Substitutions are generally not allowed in obedience and agility classes. However, substitutions may be considered at the discretion of the fair superintendents. A substitute can be selected from the exhibitor's household family or from the household where the originally entered dog resides. Dog(s) may be substituted only if Extension Staff is directly consulted prior to the show date. A Vaccination Record Form must be completed for all substitution dogs and received by Extension Staff prior to the show date.

On Leash: All dogs must remain on a leash held by the exhibitor or a responsible adult at all times.

—Showmanship Classes—

Each class will be judged on handler's appearance (10%), grooming and conditioning of dog (20%), coordination of the dog handler (50%), and general knowledge (20%). Classes are divided into age divisions at fair.

Class G703903 Rally 3 Dog is off leash and there are 15 to 20 stations.

DEPARTMENT G: Livestock

Livestock Shows

General Rules: Livestock

1. ELIGIBILITY OF EXHIBITORS-An Exhibitor must be a 4-H member enrolled in the project they are exhibiting in. Youth must be enrolled in 4-H by the deadline set by the County Extension Office to exhibit. To exhibit at the county level, the youth must be at least 8 years of age as of January 1 of the current exhibiting year and no older than 18 as of January 1. Youth wanting to exhibit livestock at State Fair must be at least 9 years of age as of January 1 of the current exhibiting year to exhibit in classes where the presence of the 4-H'er is required (such as animal exhibits). Contact the Extension Office for complete State Fair exhibition rules and qualifications.
2. RESPONSIBILITY FOR ENTRY (county fair)-The responsibility for making proper entry rests with the exhibitors and the Extension Educator. It is the responsibility of the Extension Educator to make sure that each beef, sheep, swine, dairy, meat goats, or rabbit entry that he/she submits was properly identified on an appropriate ownership affidavit and that the ownership affidavit was submitted by the deadline date. The exhibitors of all animals shall conduct themselves with honesty, good sportsmanship, and support all rules and regulations of the Nebraska 4-H program. It is the responsibility of the exhibitor to confirm that each beef, sheep, swine, dairy, meat goat, or rabbit being brought to the fair has ID (ear tag, ear notches, tattoo) that matches the ownership affidavit. Compare notches, tattoos, and ear tags to the ownership affidavit before leaving for the fair.
3. FAIR ENTRY DEADLINES-All advance entries are due in the County Extension Office by the date set in that county.
4. BRAND INSPECTION-All 4-H show cattle that are moved, driven, shipped or transported, in any manner from any point within the brand area to any point outside the brand area shall first have a brand inspection by the Nebraska Brand Committee, and a certificate of inspection issued. A copy of such certificate shall accompany the cattle and shall be retained by all persons transporting or moving such cattle, as a permanent record. The responsibility of ensuring the cattle are inspected prior to removal falls equally on the parent, owner, seller, shipper, person, persons, firm, motor carrier, railroad company, or other carrier or corporation of his, her, its, or their agent or agents or servant or servants moving, driving, shipping, or transporting. Cattle that are transported in and out of the brand area numerous times for showing may qualify for a show permit, utilized for show purposes only and is valid for 1 year from date of issuance. For more information, contact your local brand inspector or the Nebraska Brand Committee.
5. OWNERSHIP OF ANIMALS & POULTRY-All animals and poultry in the 4-H Show must be owned by the exhibitor who entered it. Ownership of beef, sheep, swine, dairy, meat goats, and rabbits must be certified where required on the appropriate forms in the Extension Office (due June 1 for county fair). All market & breeding animals (including feeder calves) to be shown at State Fair must be owned by the exhibitor, completed the online nomination with payment through the official online database, and have the DNA collector envelope with hair sample turned in the County Extension Office by June 15. Registered heifers to be shown at State Fair MUST have legible tattoo matching registration and online nomination. Commercial heifers may have a legible tattoo OR an EID tag matching the online nomination. Any heifer not having a legible tattoo or that shows evidence of a fresh or recent tattoo will be disqualified from the show. A calf-hood vaccination tattoo is not considered an official identification tattoo. All heifers will be checked for tattoos. **All market and breeding animal nominations for State Fair MUST be done by the 4-H family.**
6. 4-H/FFA EXHIBITS FOR STATE FAIR-4-H animal entries will be entered through ShoWorks online **by the 4-H family**. The entry deadline is **August 10 at 8 PM Central Time (7 PM Mountain)**. For livestock entries (beef, swine, sheep, goats), youth will have until August 10 to declare if they will show 4-H or FFA at State Fair.
7. DAIRY ANIMALS-In the case of dairy animals, some lease arrangements are acceptable, but must be certified on the appropriate forms in the Extension Office.

8. ELIGIBILITY OF ANIMALS-Any 4-H project animal that has been offered for auction, where the intent of the auction is change of ownership, is ineligible for the 4-H livestock classes at the Nebraska State Fair. This includes animals offered for sale in other events at the Nebraska State Fair, when the event is prior to the 4-H event the animal is entered in. A project animal that has been through a “premium only” auction is eligible to be exhibited at the Nebraska State Fair, provided it and its exhibitor meet all other ownership and eligibility requirements. To be a “premium only” auction, there can be absolutely NO change of ownership that occurs during the auction. All exhibitors and animals need to be treated the same in this process. In a premium only auction, exhibitors will receive a check that represents their premium and is in no way related to the market value of the animal.

Additionally, an animal that becomes wild and uncontrollable during the show may be declared ineligible by the Division Superintendent.

9. VET CHECKS-All livestock animals entering the Perkins County Fair will undergo a health check performed by a local licensed veterinarian or multiple veterinarians. Veterinarians will work with the species superintendents and/or with the Perkins County 4-H Council/Extension Staff to ensure all animals entering the facilities are in good health.

- Any animal that is observed to meet either of the following conditions will fail vet checks and will be denied the ability to show at the Perkins County Fair and must be removed from the grounds immediately.
 - A. Any animal that is observed to have any condition, disease, or physical ailment that caused an animal to pose a major risk to its own life or quality of life.
 - B. Any animal that is observed to have any condition, disease, or physical ailment that cause an animal to pose a major risk to another animal’s life or quality of life.

Any animals observed to have minor conditions such as skin diseases, fungus, minor physical injuries, or external parasites will be allowed to show, as long as those conditions do not break the rules set in A and B listed above. All animals will be evaluated on an individual basis and any decision made on an animal’s status will be made in conjunction with both the veterinarian and the superintendents. Any animals entering the fair after initial check-in or animals with changing health concerns post vet-checks will be held to the same standards and a veterinarian may be brought back to evaluate any concerning health issues.

All exhibitors should be aware of the inherent risk with bringing animals to a single location and that contamination/spread that may occur. The exhibitor is responsible for the health of their own animal and should consult a veterinarian for any health concerns before and/or after the fair.

10. ANIMAL TESTING AND EXAMINATION-Any animal entered is subject to any type of testing at the discretion of either the superintendent or official show veterinarian. If the results of testing indicate the possible use of compounds or drugs not approved for use in that species by FDA or compounds or drugs used outside the specified withdrawal requirements of FDA, these animals will be declared ineligible for competition and awards. In the case of market animals, show management will determine the appropriate disposal of the animals. An animal that is tampered with to change appearance or weight may be declared ineligible by the Division Superintendent.

11. CERTIFICATION OF DRUG USE AND WITHDRAWAL-Each exhibitor will be asked to submit a signed affidavit certifying correct withdrawal from legal drugs, vaccines, or other substances. They will also certify that their entries have not received any non-approved drugs. Affidavits for beef and sheep will also state that animals have not been fed any “prohibited” mammalian derived protein (i.e. ruminant meat and bone meal) while under the care of the exhibitor. Affidavits will be presented to the department superintendent prior to or at the time of animal weighing and check-in.

12. YOUTH FOR THE QUALITY CARE OF ANIMALS (YQCA): Nebraska 4-H requires all youth enrolled in livestock projects to complete annual quality assurance training through Youth for the Quality Care of Animals (YQCA). This may be done through the YQCA online course, through a UNL Extension Staff taught course or by completing the Intermediate or Senior test out test (online only). Quality Assurance training/testing must be complete by July 1.

13. 4-H AND FFA-Projects cannot be shown in both 4-H and FFA at county fair.

14. ONLY PURPLES CAN BE CHAMPIONS-Any beef, dairy, sheep, swine, meat goat, dog, companion animal, poultry or rabbit entry must be awarded a first or second purple ribbon in a class to be eligible to compete for champion or reserve champion.

15. GROOMING OF LIVESTOCK

Preparation and grooming of an animal should be the primary responsibility of the 4-H exhibitor and family members.

1. Exhibitors shall not add materials, natural or synthetic, which extend body shapes beyond normal limits. These animals will be disqualified from competition. Additionally, animals showing signs of illegal drenching, injections, etc. will be disqualified from competition.
2. Upon violation of above rules, the exhibitor's animal involved may be lowered one or two ribbon placing(s) or may be disqualified from the show.
3. Exhibitors will be asked to submit a signed affidavit certifying they know and understand these rules.

16. BY ORDER OF THE STATE FIRE MARSHALL-The use of flammable and combustible grooming sprays inside the barns is strictly forbidden. These types of materials must be used outside the buildings only.

17. SUBSTITUTE SHOWMAN-An animal must be shown by the FFA or 4-H owner who entered it unless the exhibitor is excused by the Division Superintendent because of serious illness, disability due to an injury (e.g. broken arm or leg) or conflict with other livestock classes in a 4-H or FFA show. An exhibitor who has more than one animal in a class need not secure approval for another FFA or 4-H member, eligible to exhibit livestock, to show the additional animal in the class. A substitute exhibitor for an FFA animal can only be another FFA exhibitor at the current fair, and a substitute exhibitor for a 4-H animal can only be another 4-H exhibitor at the current fair. All substitute showmen should wear an exhibitor number identifying him/her as a substitute showman (available in the 4-H Livestock Office and/or from species superintendent.)

18. ANIMAL SUBSTITUTIONS-Within the same class or division, substituting a different animal for a pre-entered animal, provided the substitute meets all ownership and eligibility rules, is acceptable and does not require prior approval from the Division Superintendent. Substitutions between divisions, except within Breeding Beef and Dairy are not allowed (i.e. a market lamb cannot be substituted for a breeding sheep entry). For Breeding Beef and Dairy, where each breed is listed as a separate division, substitution between divisions is allowed (i.e. an Angus heifer can substitute for a Charolais heifer).

19. AUTHORITY-Each Division Superintendent (i.e., Beef Superintendent) shall have the authority to make all decisions within their respective Divisions in accordance with rules and regulations set forth in this premium list.

20. DRESS CODE-Exhibitors showing beef, dairy, dogs, companion animals, goats, sheep, swine, poultry, and rabbits are required to wear an official 4-H T-shirt (any color). If there is no official 4-H T-shirt, exhibitors are required to wear a white shirt (or blouse) with the official 4-H chevron attached. Dark blue jeans and hard soled shoes or boots are required for beef, dairy, sheep, swine, goat, poultry, and rabbit exhibitors. Dairy exhibitors may wear dark blue jeans or white pants. No hats, caps or other types of headgear are to be worn in the show ring. Exhibitors shall not display local, county, commercial or other identification while showing their animals-except official 4-H and such identification the show ring may require.

21. SHOW TIMES-Show times printed in the newspaper are *TENTATIVE*. Consult the exhibitor letter you receive with your fair pre-entry forms for the most accurate show times. The times stated in this letter *will* be the time of the shows *unless* you are notified by the Extension Office.

22. **CARE FOR ANIMALS**-Animals must be securely tied in stalls or in pens unless exhibitor is with animal. All animals must be properly feed and watered throughout the fair. Stalls and pens need to be cleaned daily and the stalls/pens must be cleaned by the exhibitor at the end of the fair. Any animal not receiving proper care (food, water, etc.) will be cared for by the 4-H Council. A verbal warning will be given to the exhibitor and the 4-H council/Extension Educator will be consulted. Exhibitors not caring for animals will be charged **\$50 per day**. Payment will be made to the Perkins County 4-H Council and collected at the Extension Office. All care payments must be received before an exhibitor may receive their Livestock Sale Check.

23. HERDSMANSHIP-To be considered for the herdsmanship award members must demonstrate exemplary care for their animals for the entire duration of the fair.

The following are guidelines to follow in presenting your animals:

1. Animals clean at all times.
2. Animals adequately cared for with proper feeding, clean and proper amount of bedding and adequate feeding equipment. Beef animals are to be securely tied with 18-20 inches of lead.
3. Trappings and feed area clean and neatly arranged. Fork handles and similar equipment kept down.
4. Proper courtesy and conduct shown by exhibitors at all times and at all places.

24. SHOWMANSHIP AGES-Ages for ALL animal projects (cattle, swine, sheep, goats, poultry, rabbits, pets, dog and horse) will be:

- Juniors—(age 8-10 years)
- Intermediates—(age 11-13 years)
- Seniors—(age 14-18 years)

25. NUMBER OF LIVESTOCK ANIMALS THAT CAN BE SHOWN-

- Market Rabbits—one entry per class (6 rabbits total)
- Non-Market Class Rabbits—one entry per class (maximum of 5 classes total)
- Market Chickens—one entry per class (4 birds total)
- Non-Market Class Poultry—one entry per class (maximum of 5 classes total)
- Market Goats—three (3)
- Breeding Goats—three (3)

Livestock Showmanship

Printed Reference: 4H357 Guide for Evaluating Livestock Showmanship Contests

General Instructions: Livestock Showmanship

CONTEST RULES

1. **ELIGIBILITY**-All 4-H livestock exhibitors must show their own animals to be considered as participants in the Showmanship Contest. Ownership is determined by fair entry and appropriate ownership/ID affidavits from the Extension Office.
2. **SHOWMANSHIP CANDIDATES**-In Beef, Dairy, Goats, Rabbits, Poultry, Sheep, and Swine, all exhibitors **who pre-enter** by the specified deadline are eligible to show in showmanship class but must show their own animal.
3. **ASSIGNED CLASSES** - In species where showmanship classes are assigned and posted prior to the show, exhibitors must show in the class assigned, or receive prior permission from the species superintendent, or they will be disqualified.
4. **BASIS FOR JUDGING**-Showmanship judging is based on preparation of animals for show, their apparent training and the appearance and behavior of the showman. Minor technical points are not to be over-emphasized, nor do minor infractions disqualify. Primarily in showmanship it is the skill of the showman in presenting the animal before the judge that counts, while individual excellence of the animal does not.
5. **EXHIBITOR DRESS CODE**-See General Livestock Rules.
6. **LIVESTOCK GROOMING RULE**-See General Livestock Rules.
7. **EXHIBITOR NUMBERS**-To allow for easy and rapid identification, all exhibitor numbers shall be pinned on the back of the exhibitor in the area of the shoulder blades.
8. Exhibitors must pre-enter showmanship. Exhibitors must show their own animal.
9. **DISQUALIFICATION**-The division superintendents may disqualify any 4-H'er from showmanship for any violation of rules or unsportsmanlike conduct.
10. **LIVESTOCK SHOWMANSHIP AGES-**
 - **Junior-Ages 8-10**
 - **Intermediate-Ages 11-13**
 - **Senior-Ages 14-18**

General Instructions: Poultry Showmanship

1. ELIGIBILITY-Any 4-H'er enrolled in the poultry project may enter the competition.
2. ELIGIBLE POULTRY-The participant may use any bird they choose, so long as it was raised and trained by the 4-H'er. Showmanship class must be entered with advance entry.
3. BASIS FOR JUDGING-Showmanship is based on grooming and training of the bird and the appearance and behavior of the exhibitor. The exhibitor must vocally explain the steps in their routine and the merit of the bird. Primarily showmanship is the skill of the exhibitor in presenting and explaining the bird before the judge. The excellence of the bird is not considered in scoring.
4. TIME LIMIT-There will be a five minute time limit to complete the showmanship presentation. Exhibitors will be timed. Time will begin as soon as the 4-H'er begins speaking and will stop when the exhibitor poses the bird or when they indicate to the judge they are finished with their presentation. Point deductions may be assessed if the length of showmanship presentations exceeds five minutes
5. JUDGES-The judges may or may not ask questions of the exhibitor at the close of the routine.

Information on the basis of judging poultry showmanship is found in Nebraska Cooperative Extension 4-H 191.

General Instructions: *Rabbit Showmanship*

1. ELIGIBILITY-Any 4-H'er with a rabbit may enter the competition.
2. SHOWMANSHIP-The participant may use any rabbit they choose, so long as it was raised and trained by the 4-H'er. Showmanship class must be entered with advance entry.
3. BASIS FOR JUDGING-Showmanship is based on grooming and training of the rabbit and the appearance and behavior of the exhibitor. The exhibitor must vocally explain the steps in their routine and the merit of the rabbit. Primarily showmanship is the skill of the exhibitor in presenting and explaining the rabbit before the judge. The excellence of the rabbit is not considered in scoring.
4. TIME LIMIT-Maximum length of showmanship presentations is four minutes. Exhibitors will be timed.
5. JUDGES-The judges may or may not ask questions of the exhibitor at the close of the routine.
6. RABBIT BREEDS-Note that any breed of rabbit may be shown as part of the showmanship competition.
