

The Perkins County 4-H & FFA Livestock Exhibitors
extend a cordial invitation to you
to attend the annual

Youth Livestock Sale

Friday, July 19, 2024

1:30 PM (mountain time)
Perkins County Fairgrounds

Livestock may be purchased at the sale and be kept or resold to prearranged packers, or the exhibitor may choose to use the premium option.

The choice of only selling the premium on the animal allows the exhibitor to enter and exhibit their animal at the Nebraska State Fair. The exhibitor must show their animal at the Nebraska State Fair to receive the premium only option. NO change of ownership will occur with the use of the premium only option.

A base price (or resale price) will be set according to current market prices at the sale. Preliminary estimates show that there will be approximately 32 market swine, 11 market sheep, 23 market beef and 12 market goats at the 2024 sale.

Refreshments Served Following the Sale
