

DUE AT LIVESTOCK WEIGH IN/CHECK IN

**Perkins County Fair Market Livestock Show
Affidavit and Statement of Disclosure**

Youth livestock producers understand they have an obligation to be a responsible food producer. All market animals will enter the food chain and become edible products for the consuming public.

We, the undersigned, certify that we have read, understand and will abide by all rules and regulations of the livestock division of the Perkins County Fair. We agree to the condition that these entries (identified below) may be screened for violative residues. We certify that these animals have not received any non-approved drug(s). We certify that our entries are not within any withdrawal time relative to the administration of any legal drug, vaccine or other substance UNLESS NOTED BELOW. If exhibiting any livestock animal, we attest that to the best of our knowledge, the finishing ration fed to animals under our ownership does not contain a "prohibited" mammalian protein (i.e. ruminant meat & bone meal). We further certify the information provided below is correct and accurate.

If violations are detected, we will not challenge the validity of testing or sampling procedures, and we will be subjected to penalties determined by show management. The animal will not be shown or sold and the exhibitor will not be allowed to show next year.
