

The Perkins County 4-H & FFA Livestock Exhibitors  
extend a cordial invitation to you  
to attend the annual

# Youth Livestock Sale

Saturday, July 22, 2017

3:00 PM

Perkins County  
Fairgrounds

Livestock may be purchased at the sale and be kept or resold to prearranged packers, or the exhibitor may choose to use the premium option. The choice of only selling the premium on the animal allows the exhibitor to enter and exhibit their animal at either The Nebraska State Fair, Ak-sar-ben, The American Royal or The Denver National Stock Show.

NO change of ownership will occur with the use of the premium option.

A base price (or resale price) will be set according to current market prices at the sale. Preliminary estimates show that there will be approximately 25 market swine, 6 market sheep, 38 market beef and 12 market goats at the 2017 sale.

**Refreshments Served Following the Sale**
