Welcome Lori!

Hello everyone! My name is Lori Swanson, and I am serving as the new Phelps and Gosper 4-H Assistant.

Many of you know me from my work as the Phelps County 4-H Assistant. I have worked in Extension for the past nine years. In this time, I have helped both counties as the needs have changed.

My husband Darrin and I live on a farm south of Holdrege. I was raised on a ranch in southwest Nebraska and earned my animal science degree at UNL. I am a past 4-H member.

We have raised our three boys in 4-H. I can be reached at lori.swanson@unl.edu. I am looking forward to making a positive difference in the lives of 4-H youth and 4-H volunteers.

4-H Volunteer Screening

All 4-H volunteers and staff are required to complete the Nebraska 4-H volunteer screening process outlined below. Volunteer screening is done in order to assure a safe, positive, and nurturing environment for all youth involved with the Nebraska 4-H programs and provide protection for the child, the volunteer, the educator, the 4-H Council, the Extension Board, and the University of Nebraska-Lincoln Extension.

The Following 3 steps must be completed by all 4-H volunteers serving as a Direct Volunteer before performing your role. All steps need to be completed prior to your volunteer service.

- 1.) 4-H Online Enrollment: <https://v2.4honline.com>
 - Step by Step Instructions: <https://4h.unl.edu/enroll>
- 2.) DHHS Volunteer Screening (**must use this link**).
 - <https://ecmp.nebraska.gov/DHHS-CR/CheckRequest/BeginOrgCheck/81102416>
 - \$5 Fee associated with screening.
- 3.) Volunteer Orientation
 - <https://4h.unl.edu/volunteer-orientation>
 - Estimated time of completion: 40 Minutes.

Additional volunteer resources can be found at <https://4h.unl.edu/volunteer>.

Direct volunteers are those working directly with youth, such as club leaders and workshop facilitators. Direct volunteers will be asked to complete the following screening process and repeat screening as scheduled.

Please note that direct volunteers are responsible for covering a screening fee. Currently, the cost of the screening is \$5.00. This fee must be paid at the time of screening and re-screening.

Re-Screening Process

Volunteer screening is repeated every five years based on geographic location regardless of when the original screening was completed. When it is time for re-screening, volunteers will be prompted with instructions for completing the online re-screening process. See [Volunteer Screening Schedule](#).

Livestock News

Nebraska 4-H **requires** all youth enrolled in livestock projects to complete annual quality assurance certification through Youth for the Quality Care of Animals (YQCA). YQCA is a national multi-species quality assurance program focused on three core pillars: food safety, animal well-being, and character development. Requirements

YQCA certification is required for all 4-H members enrolled in any of the following projects:

- **Beef** (bucket calf, feeder calf, breeding beef, market beef)
- **Dairy Cattle**
- **Goat** (breeding meat goat, dairy goat, meat goat)
- **Poultry**
- **Rabbit**
- **Sheep** (breeding sheep, market sheep)
- **Swine** (breeding swine, market swine)

YQCA is **required** annually.

Face-to Face Training In-person YQCA training courses cost **\$3 per individual** regardless of age. Dates to be determined. Be watching your 4-H Newsletter!

Web-based Training at <https://yqca.learnrow.io/Account/Login>. The online YQCA course costs **\$12 per individual** regardless of age.

Test-out options are only available to youth in the first year of Intermediate (age 12) and Senior (age 15) age levels. There is no test-out option for Juniors. Participants will have only one chance to take the test-out option. If youth fail, they will not be provided another opportunity to test out of that age level.

Test-out costs are:

Intermediate: \$36 (\$12 x 3 years of certification) **Senior:** \$48 (\$12 x 4 years of certification).

YQCA TIPS

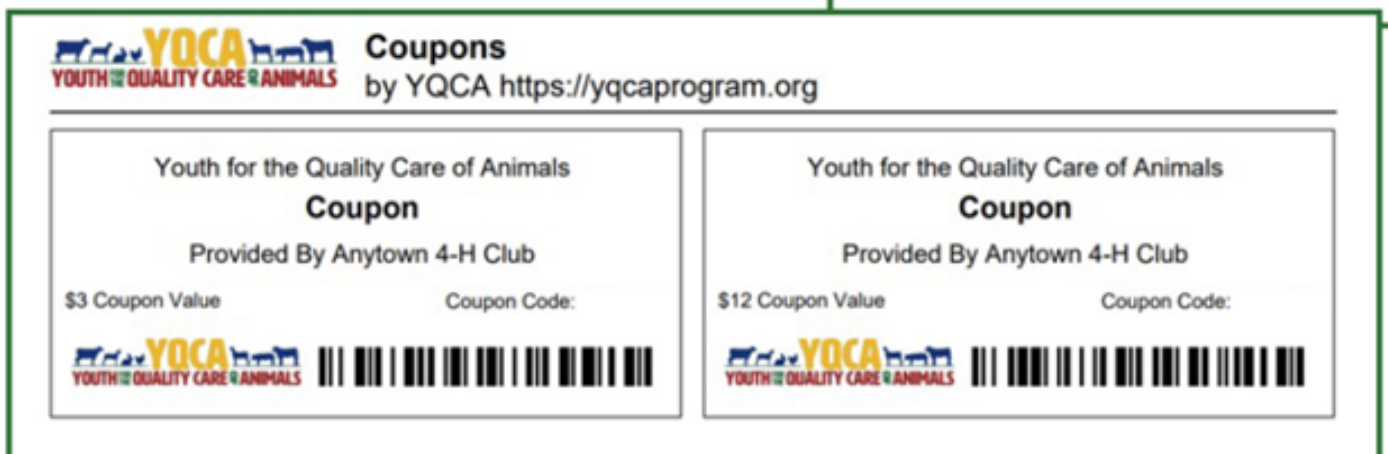

▷ 4-H Families will register and pay online

<https://yqca.learnrow.io/Account/Login>

▷ 4-H'ers use their 4-H Online Account

▷ Phelps and Gosper counties will offer a number of in-person training this spring.

Dog Achievement Program

The Nebraska 4-H Dog Achievement Program encourages youth to engage in a variety of companion animal opportunities, events, and contests. The program is designed to equip youth with a variety of skills and abilities and prepare them for success in the future. The Dog Achievement Program is open to enrolled 4-H members ages 8-18.

4h.unl.edu

Dog Achievement Program

The program consists of 4 levels that require youth to plan and report a broad range of age-appropriate accomplishments. For each level, the Dog Achievement program provides a list of recommended accomplishments from which 4-H youth choose their goals. At each level, youth must choose a specific number of recommended accomplishments they plan to achieve. Each level also has a certain number of required accomplishments that youth must complete in order to pass the level. The accomplishments increase in quantity and difficulty for each level. At the beginning of the level, participants plan what to accomplish and at the end, they report on their completed accomplishments. Successful completion of a level's Plan & Report form results in a 4-H youth earning that level of the Dog Achievement program. For more information <https://4h.unl.edu/dog-achievement-program> or contact the Extension Office.
