

## Clover Kid Obstacle Course

### Sheep and Goat

Sheep/Goat led by halter.

1. Open gate, lead sheep/goat through, then close and latch or chain gate.
2. Walk sheep/goat between chairs, which are two feet apart. Judge is sitting on one and scorekeeper is sitting on the other.
3. Lead sheep/goat weaving through cones. Cones are about two feet apart.
4. Lead sheep/goat over the bridge, keeping all four legs on the bridge. (Bridge is a sheet of plywood on 4X4's without sides).
5. Open exit gate, lead sheep/goat out, then close and latch or chain the gate.
