Subject: 2022 Animal Exhibitor Information

Wow, another 4-H year is here and moving along quickly! There have been some changes with 4-H livestock projects on the state and local levels that you need to be aware of as you plan your livestock projects for 2022. The Polk County 4-H Council **Polk County 4-H Policy & Procedure for Animal Exhibits** Guide has been updated for 2022 and will be published in the official Polk County Fairbook this year. Please look for that to be mailed to you mid-May. This not only includes larger animals, but also small pets, dogs, rabbits, and poultry projects. This resource will help you understand individual identification methods, forms needed to exhibit, and important deadlines before the Polk County Fair. Please keep it accessible to answer your questions now and in the future.

All exhibitors of animals (except for horses, llamas, small pets, cats, and dogs) must complete Youth Quality Care of Animals (YQCA) training each year. This process is the same as last year and can be completed online or in-person (F2F) and there is a fee that you must pay before taking the course either way. More information is included about how to complete this course.

As per **Nebraska 4-H Policy**, all animals for COUNTY FAIR that need to be tagged or ID'd by **June 15** but must be recorded on the official Identification Form found at <http://extension.unl.edu/statewide/polk/livestockpage/>. Any animal nominated for State Fair and Ak-Sar-Ben on the <https://www.showstockmgr.com/> is eligible to be shown at the county fair also using their nomination process. All animal deadlines are JUNE 15 deadline is June 15th this year.

- **GROOMING** - All beef, swine, sheep, and goats (showmanship, market, and breeding) will be shown Blow & Go. Animals may be clipped, blown, brushed, or combed to enhance their appearance. Guidelines for the Blow & Go show are found in the **Polk County 4-H Policy & Procedure for Animal Exhibits**. **ONLY WATER TO BE USED ON PIGS!**
- **REPLACEMENT OF TAGS** – Polk County Extension Staff will keep a record of re-tags. Re-tags (beef, swine, sheep, and goats) will require the damaged tag to be brought into the Extension Office for verification and then a new tag will be issued.

REMEMBER --Tags and I.D. sheets are available in the Extension Office. I.D. sheets may also be printed off our website listed above. An information sheet is included with instructions. County tags are \$1.00 per tag and EID tags are \$3.00 per tag. They may be picked up in the office.
