## MODELING NARRATION

**\*\*\*\*ANY PILLOWS and FUN WITH FLEECE 4-H'ers DO NOT NEED TO FILL OUT A MODELING NARRATION FORM!\*\*\*\*** You will walk together on stage as a group and be introduced with your fleece and/or pillow item, if you choose to participate. We hope you do!

As you model your outfit, a one minute or less narration will be read. Write an interesting description of you and the outfit you will model, remembering to use your name, not "I" or "my". Please see the attached sheet for some suggestions!

Here are some points of interest you might wish to use in your narration. You do not have to include them all.

1. Special features that you like about the outfit.
2. Where you plan to wear the outfit.
3. Sewing techniques you learned in making this outfit.
4. Accessories you are wearing.
5. Consumer information such as price, fabric content or how the outfit saves you money.
6. Describe the way the outfit looks on you, or the way you feel when wearing the outfit.

### BEYOND THE NEEDLE

Franny 4-H is wearing a bright painted shirt she made with decorated capris and gem stones made flip flops. Franny likes the bright colors and casual feel of this outfit. Franny will have a great time looking like a gem in her Decorate Your Duds clothing! Great job, Franny!

### CLOTHING LEVEL 1

Doesn't SuzyQ look lovely in her white cotton skirt dotted with turquoise and brown flowers? SuzyQ's summer skirt is made from 100% cotton and is accented with a decorative fringe that she chose to adorn the hem of her skirt. SuzyQ accented her look by making a drawstring purse made of the same fabric as her skirt and beading a bracelet and necklace in her spare time. To finish SuzyQ's ensemble, she is wearing a light summer tanktop, very comfortable flip flops and her cute drawstring purse to hold her personal belongings. SuzyQ looks as though she is ready to enjoy a smoothie with friends on a warm summer afternoon.

### SHOPPING IN STYLE

Polk County Patty is wearing her new favorite outfit she purchased for the 4-H Shopping in Style Project. Polk County Patty, with the help of her mom, decided that selecting and purchasing an outfit on-line would be a new challenge that Polk County Patty thought would be a lot of fun. From the beginning Polk County Patty could see that selecting an outfit would be easy with all the bargains available this time of year. Polk County Patty's first choice was her camouflage colored belted cargo capris, in the colors of brown and green. Originally these capris cost \$17.50, but were now on clearance for \$7.50. Polk County Patty found two rib-knit tank tops to match in green and brown that were now only \$5.00 a piece adding another \$3.00 to her savings. And what outfit wouldn't be complete without a new pair of brown flip/flops for only \$2.00. Polk County Patty had a great time shopping on-line and saved a lot of money. Polk County Patty's entire outfit cost her \$19.50 on sale, ordering on-line a few months ago the outfit would have cost her \$34.00. Polk County Patty will look great in this outfit when she wears it to school, on vacation, and of course when she goes shopping at the mall.
