

## USDA SCRAPIE TAG ORDERS as of September 1, 2019

Due to budget restraints, there have been changes to the Scrapie Tag program:

Flock ID requests and an *initial* order of free plastic tags can be placed by calling our Office (402) 434-2300. You need to purchase your own applicator from [dan.persons@shearwell.com](mailto:dan.persons@shearwell.com)

Thereafter, you will need to purchase your own Scrapie compliant tags. You can contact the following companies to purchase tags and taggers. Tags are available in multiple colors. Contact the company for further details. **You will need to provide your flock ID** when placing your order.
