RE: State Fair Static Entries

A list of the items that have been qualified for you to take to the State Fair is enclosed. Please check this over and if you have any changes, let us know by noon, Friday, August 10. State Fair static items will be brought to the Extension Office and staff will tag and transport them to Grand Island.

- ✓ It is very important that all breakable items are packaged carefully in bubble wrap and in a strong container. We are not responsible for broken items.
- ✓ Please be sure that you have all the supporting information that is required for each item. Refer to your fair book for that information. ***Be sure to label each part of all items with your name and county.***
- ✓ Horticulture/Floriculture items are eligible to bring any horticulture/floriculture project in the area that they qualified (example: won with eggplant you are able to bring any horticulture exhibit). Make sure the cultivar is included!
- ✓ If your item was tagged with a “staff will not transport to State Fair” tag, you are still eligible to exhibit the item, you will just be responsible for transport. I will have the entry tags here at the office. Call for more information.

We will be accepting Nebraska State Fair Static Exhibits here at the Saunders County Extension office at the ENREC (1071 County Road G, Ithaca), on:

- **Monday, August 22** from 8:00 A.M. - 7:00 P.M.
