

CLOVER KID

The Clover Kids program will be developmentally appropriate and involve the following components:

- Encourage involvement of parent or significant adult.
- Focus on self-esteem and provide positive feedback.
- Foster the development of life skills that are essential for the cognitive, social, emotional, and physical maturation of youth by providing a unique educational opportunity.
- Share through cooperative learning.
- Noncompetitive — emphasizing fun and success of every child.
- Programs are activity-focused and not project focused.
- Recognize individuals for participation.
- Present recognition and incentives without rank or placing.
