

Catch an Animal Producer Form

Answer the following questions and send to Cole Meador at the Saunders County Extension Office at cmeador2@unl.edu or 1071 County Road G. Ithaca, Ne 68033. Use additional pages if needed.

1) Describe the growth and performance of your animal:

2) Has your animal had any health problems? Describe the problem(s) and what you did to treat it.

3) What management practices have you followed to help keep your animal healthy to allow it to grow and be productive?

4) Describe various things you have learned about raising your animal:

5) Would you like feedback or help in anyway?
