- Class 1 Cat
- Class 2 Guinea Pig
- Class 3 Pet Rabbit
- Class 4 Ferret
- Class 5 Reptile
- Class 6 Misc. Small Animals – Animal type must be approved by show superintendents by July 1. Additional Paperwork may be required.

Clover Kid Companion Animal Showmanship Division 96

Clover Kid showmen are encouraged to be enrolled in the 4-H Clover Kid Program.

- Class 6 Clover Kid Companion Animal Showmanship

Show Info:

1. Only those animals listed above will be allowed to show in the companion animal show unless approved by Superintendents by July 1.
2. NUMBER OF ENTRIES PER EXHIBITOR: An exhibitor may make no more than one entry per class with a maximum of three entries total.
3. Multiple exhibitors cannot show the same animal, the only exception is for the Clover Kid Group.
4. Any class with less than 3 entries will be combined into one “other companion animal” class.
5. Show order: Clover Kid, Cat, Guinea Pig, Pet Rabbit, Ferret, Reptile, Other
6. Entries in the 4-H Companion Animal Show are judged on the overall health and appearance of the animal, and the exhibitor’s presentation and knowledge of the animal; not judged according to breed standards. Mixed breed animals can be entered and identification is not required.
7. Rabbits shown in the pet rabbit class cannot be shown in the Fair 4-H rabbit show.
8. Animals must be housed in a cage at all times of the show unless asked to remove them by the judge.
9. Each exhibitor will be asked to give a short “showmanship” presentation on their animal. The characteristics, health, and care of the animal should be provided in this presentation. Following the presentation, exhibitors will be interviewed on knowledge of their animal and its care.
10. HEALTH & VACCINATIONS: All animals should be free of fleas, ticks, ear mites, ringworm, any internal and external parasite and infectious disease. If any signs of these external parasites or other contagious health conditions are presented, exhibitors will be asked to leave without being allowed into the show area. It is highly recommended that a veterinary check is performed or preventative measures are taken prior to the show to ensure the animal is free of external parasites. ALL DECISIONS OF SHOW OFFICIALS ARE FINAL. If an animal shows the possibility of being contagious, it will be considered a danger to the other animals in the show and will not be allowed to show. Animals that pose a danger to others will not be allowed in the building. Cats are required to be current on their vaccinations of Rabies, panleukopenia, viral rhinotracheitis, and calicivirus. Cats must either have a current feline leukemia vaccination or proof of a negative test within 180 days of the show. Proof of

2024 Scotts Bluff County Fair 4-H Fair Book

vaccinations must be sent in with registration. Exhibitors will not be allowed to show without a signed Vaccination record form. Ferrets must be vaccinated for rabies and have a completed health form signed by the administering veterinarian submitted with registration information. 4-H'ers vaccinating their own cats must provide proof by including a statement from their vet on the Vaccination Record Form or by including the vaccination labels on the form and having it signed by a parent. A rabies vaccination is federally mandated to be given by a Certified Veterinarian ONLY. This vaccination must be current and include a veterinarian signature on the Vaccination Record Form. If a cat is not declawed, the claws must be clipped. This will be a point of judging during the competition. No expectant or nursing mother animals may be entered in the show.

11. AGE OF ANIMALS: All animals must be weaned prior to show. Minimum age of animals to be shown: Cats: 4 months; Ferrets: 4 months; Chinchillas: 7 weeks; Guinea pigs: 4 weeks; Gerbils, hamsters, mice, rats: 4 weeks; Hedgehogs: 5 weeks; Pet rabbits: 9 weeks
12. Dress code: recommended to wear dark jeans, hard soled shoes, and county issued fair shirt.
13. Awards: Each class will award a Junior Project Winner and a Senior Project Winner rosette. Each project winner will compete for Best in Show and Reserve Best in Show Companion Animal.

Small Animal Round Robin

The overall grand and reserve champion showman of each species (companion animal, dog, dairy goat, fiber animal, poultry, and rabbit) will represent that species in the Small Animal Round Robin Showmanship, unless that person has won the Round Robin Trophy in the past. In that event, the person who placed 3rd and received a purple ribbon of that species will be the representative in the Round Robin (unless that person has won the Round Robin in the past). If the same exhibitor is Grand or Reserve Champion of two species, he/she will choose which animal to show, then the next purple ribbon will represent that species in the Round Robin. There will be 6 stations (companion animal, dog, dairy goat, fiber animal, poultry, and rabbit), each exhibitor will be allowed 5 minutes to show each species. Each exhibitor will be scored at each station and the Grand and Reserve Champion Round Robin Exhibitor will be awarded to the top two accumulative total point winners. In case of a tie, the participants will answer the same question at each station until the tie is broken. Dress code: recommended to wear dark jeans, hard soled shoes, and county issued fair shirt, a white shirt, or dairy showman attire.
