Reflection

Select **two** questions to answer.

1. Discuss your use of the elements (color, texture, pattern, shape, form, line, space) and principles (rhythm/repetition, balance, emphasis, unity, proportion) in this piece. What elements and principles did you put particular emphasis on while planning and creating this piece? Why did you focus on those elements and principles? What elements or principles would you like to explore more or use differently next time?
2. Where/How did you find the inspiration for your artwork, and what did you do to make this piece unique and original?
3. What do you think you have done particularly well, and what would you like to do differently next time?
4. What challenges did you face while completing this piece, and how did you respond and overcome those challenge(s)?
