PLEASE NOTE:

- 1) Submit this form along with your Achievement Application by October 1, 2024 to be considered for a county award.
- 2) Award applications are evaluated based on:
 - a. **4-H Experiences** – level of involvement in 4-H projects and experiences, growth in skills and scope, and what 4-H’ers have learned over time.
 - b. **Leadership** – evidence of several leadership roles and/or expanding leadership roles in time in 4-H.
 - c. **Community Involvement/Service Learning** – regular or significant involvement in service to the community in 4-H and other programs.
 - d. **Career Spark** – connecting how 4-H experience has sparked an interest or created curiosity about a future career.
- 3) A project pin can only be awarded one time. 4-H’ers will be recognized for continued excellence in project growth through certificates.
