The beginning of January mostly consisted of writing my annual report and state 4-H policy and management review.

Jenna, Amy, and I have been hosting 4-H Q&A sessions over different 4-H topics that can make 4-H more difficult. Amy hosted 4-H Enrollment Q&A, and I hosted one over livestock basics. Jenna will host one in March around horses.

We are working on planning our second Animals Inside and Out field day for 6th grade students. We also are working on setting up babysitting clinics at three libraries in Thayer County in conjunction with the Early Childhood Educator for the area Ingrid. I also have lined up some school enrichment for March and April in Deshler and Bruning-Davenport Elementary.
