June 3-Setup Bonanza Day

June 4-Nuckolls County Bonanza Day

June 6-Thayer County Bonanza Day

June 17- 1:1 meeting with Megan Burda

June 26-Superior Summer Reading program

My focus over May & June have been starting fair preparations including stall assignments, show program covers, back tags, and other fair publications. For the SP livestock judging contest I arranged the animal classes as well as judges for the day. Bonanza Days were once again hosted in Nuckolls and Thayer County in order to have smaller groups. We ended with 56 youth attend this year with 4-H age youth completing six projects and clover kids completing eight projects. Jenna and I delivered gift certificates to the Corner Nook for all Nuckolls County teachers who utilized extension programming in their classrooms or attended a special events this year during teacher appreciation week.
