- Nuckolls County 4-H Council Meeting

It has been a busy few months with the end of the school year, due dates, and summer programming. In addition, I finished my degree and graduated at the beginning of May which was a highlight. Fair prep is in full swing and summer reading program is about to pick up! I'm excited to continue to work with everyone as we enter this busy time of year and I am ready to jump into my second fair in this position!
