

Nebraska 4-H Animal Project Record

Project _____ Year _____ Years in Project _____

Name _____ Age _____ Name of 4-H Club _____

Project Goals:

The first step of a successful project is to set project goals and steps to achieve your goal. Each goal should contain three parts: action, results and timetable. Example: (Action): I want to learn, (Results): the body parts and retail cuts of meat from a market beef, (Timetable): before county fair. The steps are the activities we do in the project to reach our project goal before the end of our timetable.

My Project Goals			
What I Did	What I Learned	Time Spent	Special Help (i.e. people, books, internet)
Project Highlights/Challenges/Unusual or Unique Experiences			
What would you like to do next year in this project?			

My Project Goals (this second page is included in case you need more space for goals, what you did, and what you learned)			
What I Did	What I Learned	Time Spent	Special Help (i.e. people, books, internet)
Project Highlights/Challenges/Unusual or Unique Experiences			
What would you like to do next year in this project?
