

Step 1: Sign in to yqca.org through 4HOnline and select which member you want to work with.

Step 2: Find the exhibitor's completed course and click on it. You may be prompted to answer a couple of questions. Select "4-H" and then the animal species the exhibitor will be participating in and click "done."

Step 3: A "Print certificate" screen will be next. Click the red "print certificate" button. You're finished!
