

Getting Into It... Tips on Managing 4-H Programs

“Nebraska 4-H Club of Excellence”

Summary Form

The overall goal of 4-H clubs is to develop enthusiastic young people who boldly take action to demonstrate life skills as capable, caring, confident, competent kids of character thus contributing to the improvement of themselves, their family, their club, their community, and their world. One way clubs might choose to measure their success in meeting that goal is their ability to gain status as a Nebraska 4-H Club of Excellence. - Give youth leadership roles
- Have one club project (related to curriculum) which they do together
- Have adult role models/ (parental) involvement
- Are facilitated by organizational and project leaders who have successfully completed the Volunteer Profile
- Have members who perform a presentation or public speaking at the club level or above
- Complete one community service project
- Have members who participate in a county, district or state event(s)

If the Club meets all the requirements they will get a certificate and a seal the first year and an additional seal in subsequent qualifying years.
