Floriculture

Youth must be enrolled in the **World of Flowers** and/or **Annual Flowers** projects to exhibit. Exhibits are limited to ONE EXHIBIT PER EXHIBIT CLASS NUMBER. **Entries MUST be the work of the 4-H member.**

The cultivar or variety name must be included on all entry cards. Failure to identify the cultivar or variety will drop the entry one ribbon placing. Proper identification is the responsibility of the exhibitor not the Extension staff or office personnel. For Floriculture, punch hole in the top center of entry tag, use a rubber band to securely attach entry tag to containers.

All Floriculture must be exhibited in a clear glass container, if not exhibit will be dropped on ribbon placing.

Exhibits entered under an incorrect class number or containing an incorrect number of stems will be dropped one ribbon placing. In classes 23, 45 & 46, do not duplicate entries with the classes listed by using other cultivars or varieties, or entry will be dropped one ribbon placing. For example: 4-H'ers with two cultivars or varieties of marigolds can only enter the marigold class and cannot enter the other cultivar or variety in any other class. A perennial is defined as a plant of which the crown overwinters. An annual is a plant that grows from seed each season, whether self-seeded or planted by the gardener. A biennial is a plant that germinates, grows, and overwinters as a crown, blooms the following year and dies. Foliage will be considered when exhibit is judged.

All 3 or 5 stems of cut flowers should be the same cultivar and color, do not mix cultivars and colors. Containers will not be judged; however, they should be clear glass containers that won't tip over and of adequate size to display blooms. Follow the guidelines in 4-H "Preparing Cut Flowers for Exhibits" 7/20/12, (free download –4h.unl.edu/preparingcutflowers) when preparing entries for the fair.
