Simultaneous participation in both programs is acceptable and encouraged, if the youth choose to do so. However, there will not be duplication of project animals or other production units. For purposes of exhibition, this means an animal can only be nominated and shown in one organization or the other, not both. Participants enrolling in the same project or enterprise in both organizations is permissible. Any animal shown as an FFA exhibit is ineligible for the show as a 4-H exhibit by any exhibitor and vice versa. An animal can be nominated for show in either 4-H or FFA, but not both.

The Danish system of awarding prizes will be used throughout the 4-H and FFA Divisions. Clover Kids will receive a participation ribbon. Awards will be divided into groups of merit. Purple (P) ribbons designate an exhibit of superior quality that has met and exceeded all of the standards. Blue (B) ribbons denote an above average exhibit that has met almost all of the standards in a way that surpasses the norm. Red (R) ribbons indicate average quality and indicate that the exhibit has met the majority of standards in such a way that the benchmark was reached, but not exceeded. White (W) ribbons indicate that the exhibit has not met the majority of the standards. All exhibits in a given class will be awarded ribbons based on quality of the exhibit regardless of the number of entries. This does not necessarily mean that each exhibit will receive an award.
