

**GETTING YOUR YQCA CERTIFICATION
HELP DOCUMENT**

CREATING AND LOGGING INTO YOUR YQCA ACCOUNT

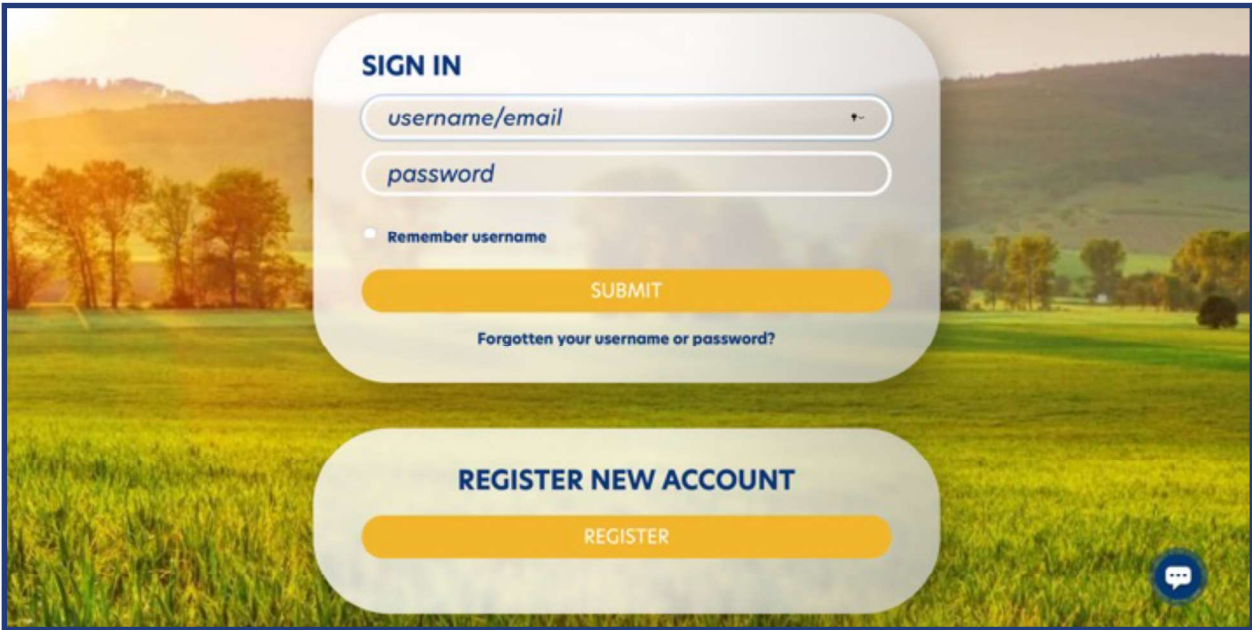

STEP 1

Create and login to a YQCA account. Go to yqcaprogram.org and select "Login & Register" from the menu.

STEP 2

If registering a new account, select "Register." If logging in to a pre-existing account, enter your username and password and select "Submit" to login.

STEP 3

When registering a new account, enter your birthdate. If you are an age protected under COPPA, a parent must create the account.

STEP 5

Retrieve email to validate registration and complete parental consent.

Hi Sammy Student,

A new 'YQCA' account has been requested using your email address.

To confirm your new account, go to this web address:
<https://yqcaprogram.org/login/confirm.php?data=E5GmoKQ64KSvPtE/sample2>

In most mail programs, this should appear as a blue link. If that is not the case, copy and paste the address into the address line at the top of your web browser window.

For assistance, contact the site administrator.

CONFIRM YOUR ACCOUNT

Validate Registration

Please visit the email address provided during account set-up to validate your account as well as provide parental consent for sharing your child/children's details with third parties (state 4-H/FFA contacts, national species organization representatives, and fair and show managers). Until you validate your account using the YQCA email notification email, your account will not be activated.

If you have provided a mobile number during the account set-up, you will receive alerts concerning your parental consent whenever your account is accessed or whenever a course is launched or completed.

For your information, once a course is launched—and through it's completion—access to the main navigation will remain inactive so as to prevent your child who is taking the course from gaining access to your account settings. After the course completion, to gain access to the account, you will have to login again.

We recommend:

- You do not share the account credentials with your children or others who should not be having access to your account and the settings.
- You always provide a mobile number during the account set-up or from your account settings at all times so that you are alerted on your mobile device whenever your account is accessed.
- You add YQCA email address and mobile number to your safe list so that they are not marked as spam, which may result in you missing important notifications & alerts.

You can revoke the parental consent at any time by updating the same through your account settings.

Validate your account registration.

REGISTRATION CONFIRMATION YOU HAVE JUST VALIDATED YOUR ACCOUNT SET-UP BY CLICKING ON THE 'VALIDATE MY ACCOUNT' LINK FROM THE ACCOUNT VALIDATION EMAIL. IF YOU WANT TO CHANGE ANYTHING, YOU CAN DO SO THROUGH THE ACCOUNT SETTINGS.

ADD A CHILD

STEP 1

Once an account has been created, children can be added. Select "Add Child."

STEP 2

Complete the registration for your child. Select "Submit" to move on or "Submit and Add Another Child" to add additional children.

The screenshot shows the 'CHILD REGISTRATION' form. At the top, it says 'CHILD REGISTRATION' in a green header. Below that, a message states: 'We have auto-populated some of your child's information based on your inputs in the earlier screen. Please update them here for your child as needed.' The form contains several fields: First Name (with a red 'i' icon), Last Name (pre-filled with 'YOUTH NAME'), Relationship to This Child (dropdown), State (pre-filled with 'Nebraska'), County of Participation (dropdown), Grade/Level of Education (dropdown), Birthdate (pre-filled with 'mm/dd/yyyy'), Gender (dropdown), Race (pre-filled with 'White'), and Residence (pre-filled with 'Rural'). There are two sections for selecting livestock projects and species, each with a red 'i' icon and a note about holding down the Ctrl or Command key for multiple selections. At the bottom, there are four buttons: 'RESET', 'SUBMIT', 'SUBMIT AND ADD ANOTHER CHILD', and 'CANCEL'.

The screenshot shows the 'Data Sharing Consent' form. It has a green header with 'CHILD REGISTRATION'. The main heading is 'Data Sharing Consent'. A text box explains that the user has added 'Maggie, Haddie' to their account and that YQCA can verify their certification information with state contacts, species representatives, and fair and show managers. It asks for parental consent to share this information with third parties. Below this, there are two sets of form fields for two children. The first child's fields are: First Name (pre-filled with 'YOUTH NAME'), Last Name (pre-filled with 'YOUTH NAME'), Age (pre-filled with '9 years 10 months'), and Gender (pre-filled with 'Female'). There are two radio buttons: 'Yes, I want to share this child's information with third parties.' and 'No, I do not want to share this child's information with third parties.' The second child's fields are: First Name (pre-filled with 'YOUTH NAME'), Last Name (pre-filled with 'YOUTH NAME'), Age (pre-filled with '8 years 4 months'), and Gender (pre-filled with 'Female'). There are also two radio buttons for the second child. At the bottom right, there are 'RESET' and 'SUBMIT' buttons.

STEP 3

Complete "Data Sharing Consent." If parents do not provide data sharing consent, YQCA will not be able to verify their certification with the listed third parties.

The screenshot shows the 'CHILD DASHBOARD'. It has a green header with 'CHILD DASHBOARD'. Below that, the heading is 'Child Dashboard'. There is a table with three columns: 'Name As Seen On Certificate', 'Name As Seen In Shared Reports', and 'Actions'. The table has two rows: 'CHILD 1 NAME' and 'CHILD 2 NAME'. For each row, the 'Actions' column contains 'EDIT' and 'DELETE' buttons. Below the table, there is an 'ADD CHILD' button.

STEP 4

View the child dashboard to edit child profiles, delete a child/children, and add a child/children.
