Please bring sewing machine and basic sewing tools with you or let us know if we need to furnish a sewing machine for you. Also bring a simple pattern of your choice and size.

Limited to 20 registrations.

4-H DESIGN CAMP

If you are enrolled in STEAM 2, have some experience sewing, and are ready for a new sewing design challenge this is the 4-H Camp for you! You will **create your own original design** on a yard of fabric, then specifically **design fabric for a garment.**

You will also **design a t-shirt** learning about Sun Printing and develop your very own Design Portfolio while learning the science behind sewing. By the completion of the two day camp, you will have learned new skills, designed and made a garment, designed a t-shirt, created a Design Portfolio to enter in Beyond the Needle, and a Clothing Portfolio to enter in STEAM 1.
