Thank you also to all 4-H parents, leaders, assistants, superintendents, fair board, and all volunteers who helped in any way, to make the 2022- and 100-year fair a huge success. Thank you for all your efforts in promoting positive youth development.

COUNTY FAIR/4-H YEAR SUGGESTIONS WANTED - If you have any suggestions or comments about the fair or 4-H year, please contact the office or return the comment sheet included with this newsletter. We hope to hear from you SOON!

BONUS AUCTION/POOL MONEY - Checks will be mailed to exhibitors in September. Be sure to watch for yours and get it cashed. **It will be voided on December 31 and not be reissued.** Be sure to thank your sponsors.

2022 STATE FAIR

Bring static exhibits in by noon on August 23rd and we will take them to Grand Island, if it is a large item, we have already contacted you. A purple sheet of information and state fair sticker would have been attached to your exhibit. If you have questions, please call the Extension Office. The opening weekend of State Fair, August 26th, we will begin celebrating all 4-H contests and livestock shows. We are also excited to display the static items that qualified for State Fair at the county fair.

The 4-H schedule for the Nebraska State Fair can be found at <https://4h.unl.edu/state-fair-schedule>.

STATE FAIR APP - The 2022 Nebraska Extension 4-H at the state fair app is available for download! Check out the "Nebraska State Fair 4-H App" section at <http://4h.unl.edu/state-fair> for direct links to the iPad/iPhone and Android apps. The app contains many helpful features for 4-H families, staff, and the general fair-goer. Contest and show programs will be made available through the app during the Nebraska State Fair.

THANK YOUR SPONSORS - Many types of recognition in 4-H are made possible by sponsors, individuals, and groups from the community, who donate funds to be used for purchasing awards. Banners had a thank you attached to them addressed to the sponsor and are also labeled with the sponsor's name and address on the back of the Banner. THANK YOU to the 4-H Council for donating all the thank you notes. Sponsors are more likely to continue sponsoring 4-H awards if they receive a note of appreciation directly from the 4-Her who won their award. We have heard some thank you notes came off banners, if you need one, you can contact the office. Please take the time to send a thank you note this year. We are fortunate to have wonderful support in Wayne County.

The Wayne County Ag Society spends many hours preparing for the fair every year and they also pay all judges fees, ribbons, rosettes, premiums you receive, and upkeep of the facility. This year they also provided every 4-H member with a 100th year T-Shirt. They are outstanding supporters. Their address is: Wayne County Ag Society, PO Box 133, Wayne, NE 68787

Thank you cards are available for download at wayne.unl.edu. Click *Wayne County 4-H* in the red menu bar, and then scroll to the *Thank You Card* link under the *County and State Fair Information* heading.

FOOD STAND THANKS! - Thank you to those who took your turn to work in the 4-H Food Stand and donated cash or supplies. It is an expectation that each club leader, 4-Her and a parent work a shift at the 4-H Food Stand. It helps with the general expenses that our 4-H program has for such events as the Achievement Program. They also provide event scholarships and senior scholarships.

Special thanks to the Food Stand Manager Anna Osten, who was assisted by Emilie Osten. Also, thanks to the 4-H Council, and to all clubs who helped with clean-up before and after the fair.

COUNTY AWARD INFORMATION is enclosed with this newsletter and at <http://wayne.unl.edu/awardinformation>. The Achievement Application will be used in place of the Career Portfolio and is available at the same site **or** the Extension Office. Applications can be completed in PDF, Word, or Google Doc. AMY - I want to say thank you to the wonderful 4-Hers and youth in our communities, families, leaders, and volunteers that I have had the opportunity to work with as my role as an Extension Assistant and Educator in Wayne County since June of 1995. I have had the opportunity to share positive 4-H and youth development opportunities and be supported by our community.

It has been a joy to be a part of learning opportunities and build positive connections with individuals. I enjoy learning about what former 4-Hers are doing and also having many of them be part of the current program as a volunteer and parent. I also enjoy teaching our current youth and hearing from them about what they are learning and doing. My career has been full of positive relationships, and I am grateful for each and every one.

I will be transitioning to an Engagement Zone Coordinator for Nebraska Extension. This will include fostering extension talent amongst Extension professionals in Zone 5, fostering partnerships with elected officials,

Extension Boards, and advisory groups along with building collaborative relationships that produce beneficial university-community initiatives.

I look forward to welcoming the 4-H and Youth Development Educator, Julie Schultz, who will be joining the Wayne and Pierce offices in September. She will work with Emma Krysl our new 4-H Assistant and Laurie Ganseboom our office manager. I know that the 4-H program in Wayne County will continue to thrive because of all of our wonderful youth, families, and volunteers and community support.

Sincerely,
Amy, Emma & Laurie

DIAMOND CLOVER AWARD PROGRAM:

The Nebraska 4-H Diamond Clover Program is designed to encourage 4-H youth to engage in a variety of projects and activities that will enable members to acquire the life skills necessary to lead successful lives as competent, caring and contributing citizens. The program's overall goal is to provide 4-H members a rich and diverse learning experience. The program consists of six levels that require a 4-H member to plan and report a broad range of age-appropriate accomplishments. The program is designed to enable every 4-H member willing to exert the effort an opportunity to be recognized, regardless of how they are involved in 4-H. Applications are due to Organizational Leaders on the date set by them. Club Leaders will evaluate the applications and submit them to the Extension Office on or before 5:00 p.m., September 14, 2022.

ACHIEVEMENT APPLICATION

The Achievement Application provides an excellent opportunity for 4-Hers to keep track of what they have participated in, given leadership to, and learned through 4-H. Completing the application and submitting it to your Organizational 4-H Club Leader and the Extension Office allows 4-Hers to receive a premium. Youth will be recognized at the Achievement Program. The application may be submitted in an official 4-H Notebook cover, 3 ring binder, or electronically and is due by 5 p.m., September 14. Premiums will be included in the Fair Premium checks.

Youth 15 years of age and older can compete at the state level for an opportunity to represent Nebraska at National 4-H Congress or National 4-H Conference. These leadership opportunities are held once a year in Atlanta and Washington DC. You must identify a program area (Agriculture, STEM, Leadership and Entrepreneurship, Healthy Living, or College and Career Preparation for My Future) to apply.

Note: Do not include ID sheets, ribbons, newspaper clippings, record book comment sheets, entry tags, programs, score sheets, etc.
