Erin Palu will be the Food Stand manager and she will be assisted by the day managers.

Here are some rules to follow during your shift:

Parents, leaders and 4-Hers (12 years of age and older) will work, younger 4-Hers may help by cleaning tables or doing other assigned roles by the leader. At least one parent is expected to work with their 4-Her.

Clean T-shirts or 4-H T-shirts are required. Hair must be pulled back. Hands must be washed upon entering the area.

Hats and gloves are required to be worn in the kitchen preparation area.

Eating and drinking during work time is NOT allowed. We encourage the clubs to allow periodic breaks for individuals.

Dirty dishes must be washed immediately, sanitized, left to air dry and then put away.

Assign a crew to wipe down tables and empty the garbage in the eating area.

There will be a portable stand and the horse arena stand where pop, hot dogs and nachos are served. Teenagers or adults are to work in these areas.

Before your shift ends:

1. Make sure all dishes are clean.
