Get Involved
in Wayne County 4-H!

HELP START A NEW CLUB
Families are encouraged to help organize a new club – which is a lot easier than you may think! 4-H staff provides guidance and resource materials. Clubs range from 5 to 40 members and are led (or co-led) by club leaders – often club members’ parents.

JOIN CLOVER KIDS OR AN EXISTING 4-H CLUB
Clover Kids are for youth ages 5-7 as of December 31 of the current year. Youth ages 8-18 are eligible for the traditional 4-H program.

Clover Kids meet in October, February, March, May & June.

The learning experience is the primary reason for involvement in Clover Kids. They participate in activities and make items they can exhibit at the County Fair. Items receive a participation ribbon.

Wayne County has 10 4-H Clubs.
A list of clubs and their leaders is available at the Extension Office.
