### COMMUNITY SERVICE

- BAKE AND TAKE DAY is a time to bake an item and then take it to someone to let them know you're thinking about them. Many organizations and individuals participate as a community service project to demonstrate their care and concern for the elderly or shut-ins in their communities. Time spent visiting with the recipient is equally as important as the baked item. Bake and Take Day is scheduled for March 24, but can be observed any day of the week.
