Applications are available at <http://wayne.unl.edu/county4h> under the *Camps* heading and the Extension Office. Applications are due by Friday, May 15 to the LENRD Office in Norfolk.

BEEF/DAIRY BARN: the Fairboard is looking to upgrade the panels in the beef/dairy barn for the 2015 fair. This would consist of replacing the wooden fence that the dairy and beef tie to with steel panels. If anyone would like to purchase a panel for \$100 or make a contribution to the project, please contact Fairboard member, Merlin Felt at 402-369-1069 or Beef Superintendent, James Felt at 402-369-0513. Total cost of the project will be about \$3500.

ATTENTION HORSE EXHIBITORS

The following are due by **5 PM, May 15**.

- Horse ID's
- District & State Horse Show entries
- Horse Advancement Level Testing completed and signed books turned into the Extension Office, along with any needed reports. Remember 4-Hers 11 years of age and older must pass Level 1 by May 15 to be eligible to exhibit at the Wayne County Fair.

The area District 4-H Horse Shows are scheduled for **June 16** in Ord, **June 17 in Wayne**, & **June 18** in Seward. There is a 4-H Horse Barrel Racing/Pole Bending Clinic scheduled for **May 27** at the Wayne County Fairgrounds. Registration information will be sent to horse project members.

MID-YEAR ENROLLMENT DEADLINE

Copies of 4-H enrollments were sent to all 4-H leaders and members. If you did not receive your copy, contact the Extension Office immediately. Check your information carefully. Please log into your 4-H Online account to update contact information or to make project additions by **midnight, June 1**. The website will not allow **project** changes after this time. See the letter that accompanied your 4-H enrollment information for instructions or contact the Extension Office. This is the last chance for 4-Hers to sign up for the projects they plan to exhibit at the fair. Also, check over project workshops you sign up for to make sure you are enrolled in the correct project.

WAYNE COUNTY FAIR PASSES are available at the Extension Office. Volunteers received a postcard in April with details on purchasing half-price passes.

QUALITY ASSURANCE

All **4-Hers** enrolled in the market and breeding beef, bucket calf, feeder calf, cow/calf, dairy, dairy goat, meat goat, pygmy goat, market and breeding sheep, swine, rabbit and poultry projects can be certified by attending a class **May 27**, 1:00 p.m. or 7:00 p.m. at Wayne County Courthouse Courtroom.

Youth can also become certified by completing the on-line Quality Assurance Moodle Course at <http://campus.extension.org>. Instructions were included with the March Newsletter or are available at <http://wayne.unl.edu/county4h> under the *Animals* heading. Youth choosing to complete the on-line course must complete 3 modules in their age division and have their certificates turned into the Extension Office by June 15. Certificates can be emailed, faxed or brought to the office.

TRACTOR SAFETY TRAINING

The 2015 Tractor Safety Training will be held **June 15-16** at the Wayne County Fairgrounds. There will need to be at least 8 participants to hold the training. Any youth 14 or 15 years of age who works on a farm or ranch other than his/her parents' is required to be certified through a tractor safety course. Extension Educators and field specialists will teach the 2-day courses. Cost is \$60, which includes all course materials, lunch both days, and breaks. Registration is requested a week prior to class. For details or to register, contact the Nebraska Extension Office in Dixon County (402-584-2234).

4-H POLICY REGARDING MISSED DEADLINES

The 4-H Youth Development Program strives to instill responsibility in all 4-H members. Part of the responsibility is making sure that all 4-H deadlines are followed. It is the 4-H Council's role to be consistent and fair to all 4-Hers. Therefore, if a 4-Her contacts the UNL Extension Office after a missed county deadline, the 4-Her will be allowed to participate in county events, contests, etc., but will be ineligible for trophies and advancement to the State Fair. In the case where ID papers are late, we must follow the state deadline so opportunities to participate in events beyond the county are out the 4-H Council's control.

The following trophies are available for sponsorship. Please contact the Extension Office if you or someone you know is interested. Cost is \$18 per trophy.
