

PRE-FAIR CLEAN-UP

Monday, July 18, 2022

THANK YOU for all your efforts in helping get the 4-H barns and buildings ready for fair. Please be sure to show extra caution when working at the fairgrounds.

SAFETY FIRST!

- Only licensed drivers can operate skid loaders and tractors due to safety and liability (no individuals are to ride in the loader buckets of skid loaders or tractors).
- Only Food Stand Managers or licensed drivers who are appointed by the managers are allowed to operate the Gator at the 4-H Food Stand (no individuals riding in the back).

Thank you for practicing responsibility and safety!!

CLUB BANNERS - Each club should bring their banner so it can be displayed in the 4-H Building. Please make sure they are in good repair.

4-H CLUBS are assigned specific areas to work - each club will need to bring brooms, cleaners, buckets, rags, tools and supplies to clean the areas assigned. We stress that parents need to make sure their kids are supervised and kept busy. *Clubs working in the livestock barns* - Make sure bedding is in stalls and pens so they are ready for entry day. Be sure to check with the Superintendent before you leave to see if anything else can be done.

- *American Country 4-Hers & Wayne First Lego League* - Wipe down tables (cafeteria tables). Some members may wish to clean livestock areas they exhibit in. Help set up building displays. Move benches and picnic tables to the outside of the 4-H Building. Clean Horse Arena Food Stand.
- *Pals N' Partners, Blue Ribbon Winners, Hi-Raters, & Spring Branch* - Livestock barns and small animal barn.
- *Combination Kids & Country Classics* - Wipe down display booths, hang club banners, and help set up building displays. Some members may wish to clean livestock areas they exhibit in.
- *Sharp Shooters/Independent Members* - Help in areas that you are exhibiting in.
