- Essay

Being driven and choosing your own path is something to be proud of. Having a passion, self-awareness, motivation, and discipline is something that takes some people years to discover. The equine and livestock industries are a perfect place to establish your specialty, utilize your skills, apply your talents and leadership abilities to jump start your education and career.

Essay Question:

In 500 words or less tell us a little bit about you, your goals and how another's leadership has impacted you OR how you plan to continue practicing leadership in the future.
