

Webster County

Impact At-A-Glance

“4-H has taught valuable life skills as I begin to navigate my future as a productive member of society. I have learned to become an advocate, stand up for what is right and enact positive change.”

Meet Libby! After 12 years of Webster 4-H, her favorite part is the annual presentation of the American flag during the final night of the Webster County Rodeo. After a long fair week, 4-H members gather to carry the giant American flag into the arena. Webster County 4-Hers carry the flag into the arena carefully folded, expand it at the start of the National Anthem, and wave it during the last phrase of the song. It is truly a unique, well-fitting end to the 4-H year. She loves teaming up with her fellow 4-Hers to achieve something as beautiful as this.

Programs At-A-Glance

- Double Up Food Bucks customers used their Double Up Food Bucks earnings to purchase \$284 fresh fruits and vegetables at Hometown Market for a total economic impact of \$876.
- 40 youth from across Nebraska in counties such as Adams, Clay, Dawson, Kearney, Lincoln, Perkins, Washington, and Webster attended the South-Central Livestock Judging Contest.
